Dear Valued Customer,

Artesian Water Laboratory and Sherry Laboratories are proud to announce the formation of a strategic partnership to better serve you. As of June 1, Sherry Laboratories will assume the service and management of your testing needs. In case you aren't familiar with Sherry Laboratories, our network of five environmental labs composes the largest pool testing company in Indiana. We're a Hoosier-owned company, proudly serving Indiana since 1947. Our customers enjoy free 24/7 access to test reports, statewide coverage and the reliability of using a certified lab.

We look forward to continuing the relationships Artesian has worked diligently to build. From our dedicated, friendly and helpful customer service team to the technicians performing the testing, we understand that our success is built on the success of those we serve. We are passionate about demonstrating our gratitude to them for making Sherry Laboratories their lab of choice. For more information about Sherry Laboratories, visit www.sherrylabs.com. Please feel free to contact Kaleb Meihls, Sherry Laboratories' Pool Program Coordinator, at 765.378.4117 or kaleb.meihls@sherrylabs.com.

Best Regards,

Michael Earley

President – Environmental

Sherry Laboratories

Nicholas J. Proicou, MS

Director

Artesian Water Laboratory

Dear Sherry Laboratories Customer:

This letter is to inform you of the contact information for your Sherry Laboratories representatives for the Columbus lab as well as to remind you of our sample drop off policies.

Pick up days and times will remain the same for you. We will provide bottles and paperwork for your convenience at each pick up site. So, when you drop off please pick up your bottle for the next week.

Swimming pool samples can be dropped at the lab if needed, Monday through Wednesday only, 8:00 am to 4:30pm. Due to the test taking two days to read we do not accept them any later.

E-coli and drinking water samples can be dropped at the lab if needed Monday through Thursday, 8:00 am to 4:30pm. Again, due to the test taking 24 hours to read we do not accept them on Fridays.

Kaleb Meihls is our route coordinator for swimming pool pickups. Kaleb can be reached at 765.378.4117 or by email at kaleb.meihls@sherrylabs.com.

Carolyn Pool is the Columbus lab contact. She can be reached at 812.375.0531 or by email at carolyn.pool@sherrylabs.com. The Columbus lab is located at 629 Washington St., Suite 300, Columbus, IN 47201.

Please feel free to contact either representative if you have any questions or concerns.

Sincerely,

Sherry Laboratories
