Dear Owner/Operator:

Re: License Renewal – 2011-2012
Johnson County Tattoo/Body Piercing Operations

Enclosed please find an application form for renewal of your 2011-2012 Johnson County Tattoo/Body Piercing Operation license. All persons or businesses engaged in a tattoo and/or body piercing trade must be licensed by the Johnson County Health Department as required in Johnson County Ordinance No. 2005-24. An annual license fee of \$500 has been established.

Please fill out the application form and return with payment before September 1, 2011. An additional fee of one hundred dollars (\$100.00) shall be imposed for license renewal fees submitted after August 31, 2011.

You are reminded that all tattoo/body piercing operations must also meet the requirements and standards of operation as put forth in Indiana State Code Rule 410 IAC 1-5 “Sanitary Operations of Tattoo Parlors” as well as Johnson County Ordinance No. 2005-24. The Indiana State Department of Health rule may be accessed on the web at <http://www.in.gov/isdh/20182.htm>. Monthly spore testing of sterilization equipment including autoclave equipment must be submitted to the Johnson County Health Department by the 21st of each month.

The Johnson County Health Department looks forward to working with you to help improve the public health. We appreciate your cooperation in complying with this important public health rule. If you have questions, please contact me at 317-346-4375.

Regards,

Chris Menze
