

NOVEMBER 2008

Weekly meetings of the Johnson County Commissioners are listed below, including the dates on which all requests to appear before the Commissioners must be in the County Commissioners Office so the agenda may be advertised according to law. The request is **due at 2:00 p.m.** on the **specified date**. If your request is not in the Commissioners Office by the specified date, they will hold the request over until the following Commissioners meeting. **The Commissioners require that a complete written explanation of your request be submitted to the Commissioners Office.** Any contracts/agreements that will require approval and signature by the Commissioners will need to have *two* originals submitted to the office. One original will be sent back with you and one original will be kept in the Auditor's Office contract drawer. You will also need to forward a copy of the contract/agreement to the County Attorney for review before the meeting.
